SENATOR BEREUTER: Is it appropriate then, in that we lay it over and have a white copy printed? If so, I do.

PRESIDENT: I don't think so. That takes priority over a motion to indefinitely postpone. All right, the motion before us is to lay over. Unfortunately, it has got to lay over anyway because we have been going at this for an hour and eight minutes. We will proceed then to item...

SENATOR BEREUTER: Mr. President.

PRESIDENT: Yes.

SENATOR BEREUTER: Will we then have the white copy?

PRESIDENT: Mr. Clerk. Is there an objection? Then that is so ordered. Mr. Speaker.

SPEAKER LUEDTKE: I will not put it back on the agenda until then we get the white copy and we know that people have had a chance to look at it if that is agreeable.

PRESIDENT: All right. Yes. The Clerk has some matters to read into the record.

CLERK: Mr. President, your Committee on Committees gives notice of a hearing for March 2nd. Mr. President, Senator Reutzel offers explanation of votes. Mr. President, Senator Fowler asks unanimous consent to print amendments to LB 665 in the Legislative Journal. (Found on pages 851 and 852 of the Journal.) Mr. President, your Committee on Public Works whose Chairman is Senator Kremer to whom is referred LB 721 instructs me to report the same back to the Legislature with the recommendation that it be advanced to General File with amendments. 883 advanced to General File with amendments. 776 indefinitely postponed. 895 indefinitely postponed. The Committee amendments were adopted. Amendments by Senator Koch were defeated. Amendment by Senator Venditte on the motion to reconsider of Senator Goodrich. The Goodrich amendments were adopted. I now have pending, Mr. President, a motion by Senator Newell. The amendment is as follows: "On page two, line fifteen, strike 1980 and reinsert 1979." That is offered by Senator Newell.

PRESIDENT: Senator Newell.
